Sir,

Appointment of a Mechanic and an Assistant Mechanic to operate the pumping unit installed near Kempambudhi Tank

---

I have the honour to state that with a view to prevent the sullage water from entering into the Kempambudhi Tank a Pumping Unit was installed near the tank about the month of September 1946 To operate the Pumping Unit it was considered necessary to appoint one Mechanic and an Assistant Mechanic urgently, and accordingly they were appointed for a month in the first instance from 1st October 1946 on a pay of Rs 40/- and Rs.25/- per mensem as a measure of trial and on condition that if their work was found satisfactory their appointment would be continued, the Mechanic's pay being increased to Rs 45/- per mensem from 1st November 1946 These proposals were placed before the Board at its meeting held on 26th October 1946 for consideration The members having considered the urgency of the matter and the need for the appointments, approved of the appointments made with effect from 1st October 1946 and resolved -

"That sanction of Government be obtained thereto".

2 The Engineer Officer attached to the Trust Board having since reported about the satisfactory work of the temporary

staff and urging the need for their continuance for a further period of 6 months from 1st November 1946, the question was placed before the Board again at a subsequent meeting held on 1st November 1946, for consideration It was resolved -

> "That the continuance of the staff for a further period of 6 months from 1st November 1946 be approved and that pending sanction of Government, their pay be disbursed and that Government be requested to convey sanction to these arrangements."

3. I request that in the circumstances sanction of Government may kindly be obtained to the resolution of the Board My action in having disbursed their pay for October 1946, as per resolution of the Board in anticipation of final sanction of Government may also be approved.

Subject - Appointment of a Mechanic and a Helper to operate the Pumping Unit installed in the Kempambudhi tank

---

Referring to the correspondence ending with your letter No L 15024 dated 13/20th February 1947 asking for certain particulars in respect of the candidates appointed temporarily to operate the Pumping Unit installed in the Kempambudhi tank, I have the honour to append in the margin,* the particulars required in respect of the candidates

2 As these appointments were purely of a very temporary nature lasting for a period of one month in the first instance, locally available trained candidates of backward communities were appointed As the question as to whether the Trust Board should be considered to be an independent unit for purposes of recruitment has not yet been decided by Government as per Law Secretary's letter No 12554 dated 27-6-1945 addressed to the Public Service Commissioner (Copy enclosed for reference), these appointments were not classified and advertised by this Office The appointments were made as an urgent measure on a very temporary basis as already stated

3 I request that in these circumstances, sanction of Government may kindly be obtained to the entertainment of the staff for the period from 1-10-1946 to end of December 1946 as already recommended
